Enzersfeld, April 2022

It's only 55 days until the Red Bull Erzbergrodeo 2022 will gather thousands of ambitious offroad motorcycle riders from all over the world at the massive stage of the Styrian Erzberg in the heart of Austria. Preparations for the World Xtreme Enduro Supreme, which will also be part of the FIM Hard Enduro World Championship for the first time, are well on their way. After a 2-year break due to COVID-19, the 26th issue of the world's unique motorcycle offroad festival is fervently awaited by competitors and fans.

Register now and win yourself a spectacular helicopter flight

The race promoters will raffle a 5 helicopter flights over the event compound amongst all Enduro athletes which will register for a race entry until the 15th of May. To see the impressive Erzberg compound from a birds eye view surely ranks amongst the most breathtaking experiences at the "Iron Giant" and offers the unique opportunity to have a look at the racetracks of Blakläder Iron Road Prologue and Red Bull Erzbergrodeo from above.

Red Bull Erzbergrodeo Mastermind Karl Katoch explains why there are still some starting spots left for the first time in the events long history: "Due to lots of Corona-related restrictions over the past two years, there is still some insecurity and doubts if and under which circumstances big events can be held in Europe. The Red Bull Erzbergrodeo has all lights put on green, so we want to offer an additional incentive to all indecisive Enduro riders and maybe ease their decision to race the Iron Giant."

The app. 10-minutes long helicopter flights can be done from Thursday to Saturday. The eventual winners will be advised by written notice and receive their helicopter voucher together with their starting documents at the rider registration on site.
